

United States District Court of Delaware

Harry Samuel
v. Plaintiff

Civil Action No. 05-037-SLR

Thomas Carroll et al

RE: District Court order dated 14th day
of December.

Plaintiff Samuel, Submit to the District Court that I did not filed a motion to amend the Complaint. What I did was in regard to the court Memorandum Order entered on 11-16-2005, Document Number: 36. Which states that reconsideration is granted as to the two health-related Claims. Plaintiff understood or thought the Court order was saying the condition claim of confinement was granted as to the toilet brush, unsanitary Conditions, health risk and Pillow Claim. Plaintiff was not reiterating health related Claims against defendant First Correctional Medical and Rob Young. Also Plaintiff was not attempting to re-instate the dismissed conditions of Confinement Claim. What the Plaintiff was doing was Submitting to the District Court 8 additional Copies of the amended Complaint for service upon defendants. Plaintiff Samuel, Submit to the Court that I do not know what a amended Complaint is. After going to the Prison Law library and asking the Paralegal, the law library Paralegal instructed me, to draft the amended Complaint that I drafted and Submitted to the District Court. I, Submitted 8 Copies of the amended Complaint, not a motion to amend the Complaint or reiterate or attempt. But to comply with the District Court order to the best ability. I await Your instructions so I can comply with the 8 additional Copies of the amend Complaint. I, await Your response.

Date: 12-6-2005

Respectfully Submitted
Very Truly yours
Harry L. Samuel pro se
